

To temporarily order sounds for your Turbo or Alpha Dogg please contact Primos Order Entry at 601-879-9323 option 2. You must have the serial # of your Turbo Dogg or Alpha Dogg available to give the order entry clerk at the time the order is placed. The serial number is the 8 character HEX number (can have letters and digits) in the larger print located on a sticker inside the battery compartment of the speaker unit. Please also have your email address and credit card information handy while placing your order.

Note that this is a temporary method to obtain sounds until we launch the final automated download website.
