

RCBS®

ACCESSORY BASE PLATE-2

PRODUCT INSTRUCTIONS

INTRODUCTION:

The RCBS® Accessory Base Plate-2 is a durable die cast aluminum plate with a series of letter-coded tapped holes for mounting RCBS reloading tools and accessories.

TO USE:

The Accessory Base Plate-2 attaches to the loading bench with the four wood screws provided. A variety of RCBS tools and accessories can be individually mounted to the Accessory Base Plate-2. A few examples of equipment mounted to the Accessory Base Plate-2 are shown below. Use the following chart as a guide for determining which bolt pattern to use for the various tools and accessories. Fasteners needed to mount the tools listed are included. When mounting a reloading press requiring the "D" bolt pattern, use the washers provided under the bolt head.
